Day Camp Guide 2012
Pre-K through High School
MCGAW YMCA
WHAT THE BUZZ IS ALL ABOUT...

“This is the best program we’ve used so far. We felt it was very structured and aimed at encouraging the physical, mental and social growth of the children – which it did very well. Some camps are just a place to drop the kids – not Camp WaNaGo. From swimming classes to field trips and trips to the beach, I have watched my granddaughter grow both physically and socially. She was able to make many new friends this summer and I feel that her confidence in herself as a person has grown.”

- DAY CAMP GRANDPARENT, 2011

“We loved the whole program. The teachers were excellent and really worked with the kids. [They were] very well organized in how they carried out the program. Our granddaughter absolutely loved it and we feel she grew in many ways from being a part of it all summer. Thank you!”

- DAY CAMP GRANDPARENT, 2011

“The camp was just the experience we hoped our son would have... From wonderful friendly staff and teachers, to the different activities throughout the week. We were thrilled.”

- DAY CAMP PARENT, 2011

“The camp staff is organized and helpful, enthusiastic and responsible. I feel safe leaving my children in their capable and kind hands. And I know my kids will have a great time!”

- DAY CAMP PARENT, 2011

BECOME A LEADER: JCIT participants will have their own team-building activities that will provide the opportunity for them to become a better leader. Activities will focus on developing positive communication skills and building unity with one another.

GET CERTIFIED: Upon successful completion of the program, JCIT participants will receive American Red Cross CPR/AED and First Aid Certifications before the summer is over.

BUILD YOUR FUTURE AT THE Y & BEYOND: Not only is JCIT a great way to begin building your leadership experience, those who successfully complete the entire camp will be given preference when the McGaw YMCA is hiring for camp counselors the following summer.
